Laurea Magistrale programme in _____

Academic Year: (2017/2018)

Program duration: 2 years

(Estimated graduation date: (within April 2020 with possibility of extension))

Course Structure

The **Laurea Magistrale programme** is a postgraduate programme equivalent to Master of Science. It lasts two years, divided into two semesters each (approximately 30 credits per semester). An exam session follows each semester. An additional exam session is held in September.

Once completed, the **Laurea Magistrale** programme gives access to Doctoral programmes.

A.Y 2017-2018 useful dates

SEMESTER	STARTING DATE	ENDING DATE	EXAM SESSION
FIRST	September 18th, 2017	December 22nd, 2017	January 15th - February 24th, 2018
SECOND	February 26th, 2018	June 8th, 2018	June 18th - July 28th, 2018

The educational rules and study plan of the programme are available at the following link:
https://aunicalogin.polimi.it/aunicalogin/getservizio.xml?id_servizio=156&lang=EN

Credit system and evaluation scale

European Credit Transfer and Accumulation System (ECTS) is a standard for comparing the study attainment and performance of students of higher education across the European Union and other collaborating European countries. One academic year corresponds to **60 ECTS** credits that are normally equivalent to **1500–1800 hours** of total workload, which includes teaching hours, class attendance, classwork, laboratory work and individual study.

Credits may be obtained also through other activities such as additional training courses, project works, theses, internships, foreign languages, computing skills, training in communication and public relations and group work.

The Italian **grading scale is out of 30**, where 18 is the minimum passing grade and 30 cum laude the highest grade.

Tuition fees, academic year 2017-2018

The tuition fees for **EU** students depend on their family income level, that will be calculated between January and March 2018 on the basis of specific documents. Students will be placed in an income bracket accordingly.

The tuition fees for **Non EU** students residing abroad correspond automatically to the **highest income bracket** (see the table below), unless they are scholarship holders.

POLITECNICO
MILANO 1863

The fee amount may vary according to the number of credits included in the study plan. Below a scheme of the tuition fees for the academic year 2017/2018 (amount in €).

Income level 1	2	3	4	5	6	7	8	Full contribution*
€ 883	€ 1.302	€ 1.634	€ 1.948	€ 2.269	€ 2.596	€ 2.923	€ 3.349	€ 3.886

*Non EU students must pay the full contribution.

Payment deadlines and modalities

The tuition fees must be paid in two instalments per year within the deadlines:

ENROLLMENT IN	1ST INSTALLMENT PAYMENT*	2ND INSTALLMENT PAYMENT
FIRST SEMESTER	From the end of August till mid September	From April till mid May
SECOND SEMESTER	By end of February	From April till mid May

* The first installment may be paid from May by the students admitted on the first semester of all the programs, with the exception of those belonging to the School of Industrial and Information Engineering (for such courses it is possible to enroll, and therefore pay the first installment, only during the standard period).

Payment of the 1st installment can be carried out by Credit Card (enrollment fee only), SEPA (International Bank Transfer) or MAV (Pre-printed payment slip, second year only). Payment of the second instalment can be carried out by SEPA (international Bank Transfer) or MAV (Pre-printed payment slip).

Students whose tuition fees are paid by a third party (for example those who benefit from a loan) will necessarily have to use the SEPA payment method, making sure that the institution that carries out the payment on behalf of the student clearly specifies the reason and beneficiary of the transfer. **All payment methods are available online and will appear during the online enrolment procedure.**

More details about the tuition fees are available at the following pages:
